This is what Bass-Hoover Elementary School had to say about their skate fundraiser:

"Our experiences with the Sportsplex Fundraiser Skate Nights were absolutely amazing! Our school raised a lot of money just by getting the students together for a night of skating! The Sportsplex staff treated us very kindly and entertained the students in a variety of ways using the big yellow chicken, and playing a lot of fun games with them. We look forward to our third year raising money for our school with Winchester Sportsplex!"
